ORDER

As per the allotment protocol, applicants who fail to secure first option in the first allotment can avail of the facility of taking temporary admission in the college to which they have been allotted. Such students need not pay any fee in the college concerned at the time of temporary admission. During previous years, a few colleges had levied exorbitant sum as application fee on the pretext of granting admission. Majority of such students secure admission to colleges of higher options in the second allotment and leave the college where they are temporarily admitted. The practice of levyng fee other than the fees fixed by the Government/University under the pretext of College Development Fund, providing additional facilities at colleges is also reported to be prevailing in some colleges. In addition to the above practice, collection of exorbitant sums from students as PTA Fund is also reported.

Considering the above, sanction has been accorded by the Hon'ble Vice Chancellor to the following:

- i) Issuance of application form for candidates allotted through Centralised Allotment Process shall be dispensed with from 2015 academic year. In lieu of the application form, the college authorities shall take the print out of the profile of the students from the online admission portal.
- ii) College authorities shall desist from indulging in malpractices such as collection of excess fee other than the fees fixed by the Government/University.
- iii) Collection of PTA fund shall be in accordance with the Government rules in this regard.
- iv) Collection of fund other than PTA shall not be permitted.
- v) Punitive measures will be initiated against the erring colleges.

Orders are issued accordingly.
